

# BIOGRAPHY BOOK REPORT

*A historical twist on the traditional book report project*

## **STUDENT TO-DOS:**

**STEP ONE:** Choose a biography book that interests you.

**STEP TWO:** Read the book from beginning to end.

**STEP THREE:** Create a Biography Book Report to present to your audience!

# BIOGRAPHY BOOK REPORT

## HOW TO GET STARTED:

After reading your book, choose one of the following projects to present to your audience:

- Use the main character(s) of your book as inspiration for developing the front-page headline of an **imaginary newspaper** from the time period in which your character(s) lived. *What's the top story? Don't forget a photo or two!*
- Design your own **book jacket**. *Be sure to include a summary of the book on the back.*
- Pretend to be your character, and write **one week's worth of diary entries** from an exciting time in their life.
- Create **three custom bookmarks** to compliment your book – using text and illustrations to highlight key moments in your character's life.
- Dress up in a **costume** – period clothing that the character may have worn. Pretend you are them, and share an exciting story from *your* life.

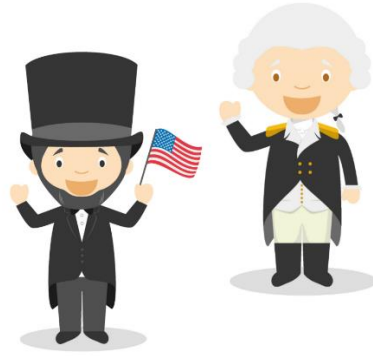

## WHAT'S NEXT:

Now it's time to complete the project you chose.

Once your project is complete, begin practicing how you will enthusiastically present your project to your audience.

Now it's time to shine!
