

# CEREAL BOX BOOK REPORT

*A tasty twist on the traditional book report project*

## **STUDENT TO-DOS:**

**STEP ONE:** Choose a book that interests you.

**STEP TWO:** Read the book from beginning to end.

**STEP THREE:** Create a Cereal Box Book Report to present to your audience!

# HOW TO GET STARTED:

Begin by covering a regular-size cereal box with paper: white paper, colorful construction paper, brown craft paper – anything goes!

## WHAT TO DO NEXT:

### On the Front of the Box:

- Imagine a captivating cover that would reveal the theme of your book.
- Now gather what you need to bring your design to life!
- Next, get started creating the front of the cereal box. Be sure to include a yummy-sounding cereal name that compliments the plot of your book. *Try to avoid using the book's title as the cereal name.*

### On the Right Side of the Box:

- Include a list of “ingredients”. For example: main character(s), setting, plot, overall theme of the book, etc.

### On the Left Side of the Box:

- Tell us about your “cereal” – What does it look like? What does it taste like? Is it crunchy? Is it sweet? Let your imagination go wild here!

### On the Top of the Box:

- Include the title of your book, the author's name, the number of pages in the book, and the number of stars you would rate the book (1-5 stars).

### Back of the Box:

- Attach a three-paragraph summary of the book. *This portion may be handwritten or typed.*

### Extra:

- Include one additional creative piece either on the front, back, or inside the cereal box. For example: a prize, a puzzle, a game, a healthy tip, a related advertisement, etc.

Cereal Box Commercial: Prepare a two to three-minute commercial selling the book to your audience. This can be a live performance or a video creation!

No matter which direction you go, be sure to include the following:

main idea, plot, meaningful scenes, interesting characters, and what you liked about the book.
